

Housing Action NH

Building Alliances for Low Income Housing and Homelessness Advocacy

Join Housing Action NH

Housing Action NH is a coalition of organizations engaged in advocacy for policies and resources to ensure that New Hampshire's low income people are adequately and sustainably housed.

Housing Action NH's mission is to substantially increase state and federal investment in the development, preservation and maintenance of housing that is affordable for New Hampshire's lowest income people, and to expand access to rental subsidies through efficient engagement of a broad alliance in federal and state advocacy.

Who Should Join? Nonprofit and for-profit housing developers, homelessness prevention programs, Community Action Programs, housing investors, public housing authorities as well as other organizations and entities, such as school administrators and law enforcement groups, that will advance their work by increasing the supply of affordable housing in New Hampshire.
