A: THOSE WHO EARN THE LEAST

29% of NH Households are Renters

38,187 renters in NH are Extremely Low Income (ELI), earning $24,116 a year or less. 81% are cost-burdened; 68% are severely cost-burdened, paying half or more of their income on housing.

Across the state, there are not enough rental units both affordable and available to renter households.

Housing Action NH
Improving state and federal policy so everyone in NH has a place to call home.

www.housingactionnh.org

$20.18
Amount a renter household needs to earn per hour in NH to afford a 2-BR unit at Fair Market Rent.

$13.35
Average hourly wage earned by a NH renter.

$1,108
Median monthly 2BR gross rent in NH.

-23,521
Shortage of units affordable and available to households earning <30% of AMI.
