

## Greater Seacoast Coalition on Homelessness

# SAVE THE DATE

## *November 18 & 19*

### Seacoast Summit

#### on

## Homelessness & Housing

*Seacoast area location to be determined*

The ***Seacoast Summit on Homelessness & Housing*** provides an opportunity for a diverse group of stakeholders to identify and collaborate on strategies to solve community problems related to homelessness.

Thanks to generous funding from United Way of the Greater Seacoast and New Hampshire Charitable Foundation, a charrette process will:

- Provide an open environment in which to share concerns and ask questions;
- Strengthen relationships across systems, programs and funders;
- Push the community conversation forward to confront our most difficult issues; and
- Accelerate our planning.

Please join us for a ***full day on Tuesday, November 18***, and a ***late afternoon meeting on Wednesday, November 19***, to strategize how our community can continue to move the needle on homelessness.

For more information on our consultants, CSH, and the charrette process, visit: <http://www.csh.org/csh-solutions/community-work/local-planning/charrette-workshops/>
